HIGH SCHOOL TEACHING

Acting I 2022-2023 School Year

Performing Arts Department, Jemicy School

THEATRE TEACHER

- A beginning course in acting, students will explore, practice, and acquire the basic skills of the acting process and the skills necessary to both analyze, appreciate, and present dramatic material.
- Through various exercises/improvisations, field trips, coursework and the like, the student actor will work to uncover his/her 'personal truth' through the development of the voice, body, and imagination.
- Students will explore the basics of character development through monologues and small scenes.
- The class will culminate in a performance of class material.

Acting II

2022-2023 School Year

Performing Arts Department, Jemicy School

THEATRE TEACHER

- A course designed to deepen the student's understanding of their instrument with a focus on script analysis, scene study, and character creation.
- Students will explore character development through advanced monologues and group exercises that may encourage them to explore more deeply the personal truths discovered in Acting I.
- The class will culminate in a performance of class material.

Musical Theatre

2022-2023 School Year

Performing Arts Department, Jemicy School

THEATRE TEACHER

- An introduction to the skills required of the musical theater performer.
- Students will explore foundational techniques in acting, singing, and dance specific to the musical play.
- A strong focus will be placed on song analysis through solo song preparation.
- The class will culminate in a performance of class material.

USP Acting

2022-2023 School Year

Performing Arts Department, Jemicy School

THEATRE TEACHER

- An introductory, single-trimester course for students to study theatre arts and to learn the basic skills of the beginning actor.
- Students will be introduced to the fundamental skills of theatre arts including stage terms, improvisation techniques, body control, voice, diction, pantomime, memorization of lines, creation of character, projection of ideas and emotions, and preparation and acting of scenes from plays.
- This course will emphasize introductory techniques of theatre and help build confidence and public speaking skills.

UNIVERSITY TEACHING

MUS 217 – Directing

Spring 2022

School of Arts and Humanities, Mount St. Joseph University

ADJUNCT PROFESSOR

- A course designed to introduce beginning principals of directing for the stage
- Students will skills through a variety of readings, lectures, class discussions, in and out of class activities
